OUR QUALITIES AND VALUES

EUROJURIS QUALITIES

- The Eurojuris network consists of active national chapters with high national visibility.
- Our member firms know the culture of their region, the language, the latest developments and the jurisdiction.
- Our members are small and medium-size law firms that are very active in their local area and make our network Glocal = global and local at the same time.
- With Asijuris, an affiliated member of Eurojuris, we can offer local representation and direct legal advice throughout Asia.
- Together, Eurojuris offers global reach for international legal assistance.
- We have more to offer than the average network because we understand the value of knowing the lawyers in person before recommending them to a client.
- Our members develop friendships and meet at periodic events where they get to know each other.
- Many members have known each other for years through the network and have spent quality time together in cities all across Europe.
- Expertise is important to us: this is why our experts come together in our specialised Eurojuris Practice Groups.
- Eurojuris has Jurismus: an international association of active young lawyers under 40.
